Application for Spiritual Adoption by the Elected Principle Medicine Chief [EPMC] of the Nemenhah

Whereas: The Nemenhah Indigenous Traditional Organization is the “Spiritual Family” of the Elected Principle Medicine Chief through the ancient principle of “Making of Family,” which the Nemenhah articulates as “Spiritual Adoption,” and it is through this principle that I request Spiritual Adoption by the EPMC,

Therefore: Through this application I declare that (1) Natural Healing comprises part of my Spiritual Orientation; (2) I will First Do No Harm; (3) I will diligently study the Sahaptan Healing Way and strive to become a Sahaptan Guide, Carrier and Shirt in due course, understanding that I shall manage my education as a Nemenhah Medicine Person under the direction of Chief Cloudpiler, by and through those means he sees fit, and which is supported by the Constitution of the Nemenhah; (4) in accordance with the Constitution of the Nemenhah, I covenant to generously donate out of my surplus so that my gift may help to support my Mentor and Nemenhah, beginning with the donation of \$250.00 (suggested), in order to provide for administrative costs associated with my request, or in whatever amount my stewardship allows and Spirit dictates, which offering accompanies this application, and going forward each month thereafter as the Spirit also dictates is appropriate to my situation. My offerings are free will donations given in the spirit of the Sacred Giveaway, or, Potlatch, which is Bona Fide Ceremony and Traditional Practice of the Oklevueha Native American Church of Nemenhah.

I understand that this is not “Tribal Adoption” for purposes of commerce or taxation. It is the first step in the Ceremony of “Making Family” which the Nemenhah call “Spiritual Adoption” and that it is the only manner in which a person may become a Member of the Nemenhah. I derive legal benefit from this Ceremony of Adoption, but I do not create a taxable entity.

I have written my check Payable to Cloudpiler and I have sent this application to the address above.
